

PND15_Adult-intronic_bg_all_GO_CC

cell cytoplasmic intracellular plasma
membrane part vesicle organelle nuclear complex

voltagegated component glutamate integrin
complex membrane channel receptor plasma calcium

filopodium segment spine dendritic
axon membrane stereocilium region growth cone

ligase
complex kinase ubiquitin dna transcription histone polymerase catalytic cytoplasmic

junction adherens tight cellcell cellsubstrate

extracellular matrix laminin complex

spindle mitotic myosin complex midzone pole

granule membrane acrosomal chromaffin zymogen vesicle clathrincoated
