

# PND15\_Adult-intronic\_bg\_all\_GO\_CC

integrin  
**complex** membrane channel receptor ma dna kinase transcription polymerase

granule golgi nuclear cytoplasmic spindle  
**membrane** vesicle organelle part endosome

neuron stereocilium dendrite dendritic  
**membrane** axon projection cell ciliary part

region integral intrinsic part  
**membrane** plasma component cytoplasmic extrinsic postsynaptic

**junction** adherens tight cellcell cellsubstrate

extracellular matrix region

**cell** part intracellular
